CERTIFIED MAIL  
RETURN RECEIPT REQUESTED

RE: Ohio Drum Reconditioning Site  
Industrial Property  
3965 West 25<sup>th</sup> Street, Cleveland, Ohio  
Site #05NS  
Demand Letter

Dear Sir or Madam:

The United States Environmental Protection Agency ("U.S. EPA") in cooperation with the Ohio Environmental Protection Agency, has conducted response actions to address contamination at the Ohio Drum Reconditioning Site, Industrial Property, in Cleveland, Ohio. U.S. EPA took these actions under authority of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980 ("CERCLA"), 42 U.S.C. §9601 et seq., as amended by the Superfund Amendments and Reauthorization Act of 1986 ("SARA"), Pub. L. 99-499 100 Stat. 1613 (1986). Prior to undertaking these response actions, U.S. EPA determined that there was a release or threatened release of hazardous substances from the Ohio Drum Reconditioning Site, Industrial Property. The U.S. EPA undertook the response actions using monies authorized by CERCLA, as amended.

During the response, U.S. EPA undertook several actions at the Industrial Property. Response costs associated with the Industrial Property have been incurred by U.S. EPA. The approximate U.S. EPA response costs identified through April 30, 2002, for the above referenced Industrial Property are \$605,372.57. A summary is enclosed.

Information available to U.S. EPA indicates among other things that you are potentially responsible for the release, or threat of release of hazardous substances from the Site. Pursuant to the provisions of Section 107(a) of CERCLA, and based on evidence currently available to the Agency, U.S. EPA believes that you may be liable for the payment of all costs incurred by U.S. EPA in connection with the Site. The potentially responsible parties ("PRPs") are jointly and severally liable for the whole amount. Partial payments will not release the payor of liability for payment of the rest of the costs that are owed to U.S. EPA. Limiting language on the check or in accompanying letters will be considered to be advisory only and will not be considered as placing conditions on the amount paid or as limiting liability on other costs demanded in this letter.

Such payment must be made by a cashier's or certified check made payable to the "U.S. EPA Hazardous Substance Superfund", which is established by the Internal Revenue Code, 26 U.S.C. §9507, and administered by U.S. EPA. Please send your check to U.S. EPA - Region 5, Attn: Program Accounting & Analysis Section, P.O. Box 70753, Chicago, Illinois 60673. Place the following Site Identification Number on the check: 05NS. Please send a copy of your payment check to William Messenger, Chief, Emergency Enforcement & Support Section, U.S. EPA, Region 5, Superfund Division (SE-5J), 77 W. Jackson Blvd., Chicago, Illinois 60604, and to Mark Geall, Assistant Regional Counsel, Office of Regional Counsel, U.S. EPA, Region 5 (C-14J), 77 W. Jackson Blvd., Chicago, Illinois 60604.

We hereby demand that you make restitution by payment of the amount in this letter plus interest, together with any sums hereafter expended by the Agency in connection with the Site pursuant to authority of CERCLA, as amended.

In addition to recovery of U.S. EPA's response costs, U.S. EPA is seeking penalties for failure to comply with the Unilateral Administrative Order ("UAO"), Docket #V-W-96-C-360, dated April 21, 1999. The penalties will be either \$1,816,117.71, three times the cost of the removal pursuant to CERCLA §107(c)(3), or \$1,430,000, which is \$27,500 a day pursuant to CERCLA §106(b)(1) for the 52 days from the effective date of the third amended UAO, May 1, 1999, until the removal started, June 21, 1999. Pursuant to Section 107(a) of CERCLA, as amended, interest shall begin accruing as of the date of this demand, if payment is not received within thirty (30) days of the date of this letter.

If you desire to discuss your liability with U.S. EPA, please contact Mark Geall, Assistant Regional Counsel, in writing no later than thirty (30) days after the date of this letter. Mr. Geall may also be reached by phone at (312) 353-9538. If we do not receive a response from you within this time frame, U.S. EPA will assume that you have declined to reimburse the Fund for the

Site expenditures, and pursuant to CERCLA, U.S. EPA may pursue civil litigation against you.

The names of other PRPs receiving this request for payment are enclosed with this letter to facilitate organization among the identified parties concerning payment. PRPs should attempt to work out an allocation among themselves to apportion costs; however, whatever allocation system the PRPs develop among themselves, U.S. EPA considers all PRPs to this Site jointly and severally liable for the amounts demanded in this letter until all costs are reimbursed or an appropriate settlement is achieved pursuant to Section 122(h) of CERCLA.

Sincerely,

Richard C. Karl, Chief  
Emergency Response Branch

Enclosure
